The fundamental science of food and taste...

indi Grand was launched in 2012 by Panesar Foods and is a complete meal range of authentic Indian Cooking Sauces, Chutneys and Dips.

Co-founders and brothers Bill and Jas Panesar took the inspiration from their parents Jagir Singh Panesar and Mohinder Kaur Panesar who strived to develop and infuse flavours from their own journeys in India and Africa.

The finest ingredients...

Offering flavour profiles that any consumer of Indian or World cuisine would appreciate. Our ingredients are uncompromisingly the finest we can source from around the world. They are brought to life by our specialist chefs, technical expertise and creative flair.

Our entire team is innovative and focused on driving the market by capturing the imagination of our customers, providing them with consistent quality and incredible traditional tastes as well as dedicating time in discovering new and exciting flavours. Our inventive approach is also our distinction in producing quality food across our range, with no artificial colours or preservatives.

indi Grand the brand...

Strong, clean branding allows the consumer to identify our range of foods. As well as protecting the provenance of our food, being a responsible business means we remain a fair and trusted partner to our farmers and growers.

indi Grand range of culinary delights will ‘*Stir Your Senses*’ and keep you coming back for more.

Our simple goal is to make cooking an inspirational delight and a success every time!

STIR THE SENSES

*“We understand the fundamental science of food and taste: the flavours, essence, appearance, texture and aroma. It is this understanding that helps make our range of **iNDi** Grand products so tempting.”*
